*Traders,*

*I am looking for Western alliances to fight against the Xiong-nu. I need traders that are going to travel to the West. In order to gain friendships, we will send gifts of silks, cattle, and gold to give to the Diplomats.*

*Please write me with descriptions of the locations along the road to the West. Here is a map of the places you will visit. Attached is a calendar with your assignments.*

*So let it be written, so let it be done,*
